Terms and Conditions

The cleaning checklist above contains all the areas we would clean as part of an end-of-tenancy clean. We will revisit any property for free to re-clean any area on the cleaning checklist that was not cleaned to the required standard.

A non-refundable booking fee of 50% of the total fee is required for each booking. You can make booking amendments or reschedule by notifying us at least 24 hours before the scheduled start time. Failure to do so will result in the forfeiture of the booking fee.

For us to provide our services, properties must have running hot water, lighting, and working electricity. Failure to provide these amenities will result in the total forfeiture of your booking fee.

Lettings and sales agents will also be charged 50% of the total bill for any cleans they book where these amenities have not been checked to be in working order prior to our arrival.

Rubbish removal, item removal, bagging up of any waste, and any exterior cleaning are not included in the price. All prices are subject to change based on the condition of a property and prices do not apply to after-builders/sparkle cleans or deep cleans of properties that have not been maintained over time.

A two-person end-of-tenancy clean should not take longer than 12 hours from 10 a.m. to 4 p.m., and we reserve the right to adjust prices to reflect the condition of a property.

We require payments for services to be made immediately on the day of completion by bank transfer or debit/credit card unless a trade account or existing relationship is established. We will provide a full itemised invoice for our cleaning services in PDF format via email, which will include our bank details and the facility to pay by card or Apple Pay.

In the event of any late payments, we reserve the right to charge "statutory interest" on goods or services provided to businesses. This interest rate is 8% on top of the Bank of England base rate, applicable for business-to-business transactions.

Thank you,

The Pro-clean Team.
